The Tewkesbury Oak Kitchen

TopClassCarpentry.com offer a wide range of kitchens and joinery products specifically designed to meet the demands of modern living.

The Tewkesbury Oak Kitchen features solid oak framed doors and provides a look that spans both the traditional and the contemporary.

The rich oak combines perfectly with twist cage handles to create a traditional look, or alternatively use a modern nickel effect handle for a more contemporary feel.

Elegant touches such as the wine racks and open or glass display units make this oak kitchen extremely functional as well as undeniably beautiful.

Standard wall and base carcasses are supplied in beech effect finish. Decor display carcasses are supplied in an oak finish.
